AB 471 IMPLEMENTATION OVERVIEW

MATHEW GIBSON
BAR EXECUTIVE OFFICE
EDUCATIONAL GROUP MEETING
JANUARY 13, 2022

AB 471 (LOW, CHAPTER 372, STATUTES OF 2021)

- Clarifies ARD lien authority for storage fees
- Requires recognition of educational certifications on the ARD application
- No sooner than 7/1/2023, creates a 3-member panel for informal review of ARD citations
- Creates a remedial training process and certification program for remedial training providers
- Creates a vehicle safety inspection and certification program by 1/1/2024

GOALS OF PROPOSED ARD CITATION PROGRAM

- Fill the gap between BAR's educational efforts and formal disciplinary action
- Address violations of a concerning nature that are frequently occurring, but by themselves do not rise to a level warranting disciplinary action
- Provide consumers with information about concerning violations BAR identifies so they can make a more informed decision when choosing a repair facility

CITABLE VIOLATIONS

- Negligence (*new* CCR 3351.7)
- Inaccurate Invoice (B&P 9884.8)
- Maintenance of Records (CCR 3358)
- Accepted Trade Standards (CCR 3360 – 3368)
- Equipment Requirements (CCR 3351.5, 3351.6)

FINE AMOUNTS AND APPEAL PROCESS

- Citations shall include an order of abatement
- Fine amounts will not exceed \$5,000, even if the citation lists multiple violations
- Fine amounts will be based upon 8 factors in aggravation and mitigation
- ARDs may contest a citation within 30 days of issuance

AB 471 AND ARD CITATIONS

- AB 471 creates:
 - An informal appeal process for ARD citations
 - A 3-member panel to review informal appeals; the panel would consist of a representative from:
 - BAR
 - Industry
 - Public
 - A remedial training process to prevent disclosure of a citation, but only once every 18 months

AUTO SHOP LOCATOR

- Allows consumers to locate ARDs based upon location and license type
- Displays ARD:
 - Registration information
 - Location/phone number (according to BAR records)
 - Map of the location
 - Disciplinary and Citation History

AB 471 AND AUTO SHOP LOCATOR

- AB 471:
 - Requires BAR to accept and connect educational and professional certifications to BAR-issued ARD registrations
 - Allows ARDs to prevent disclosure of an ARD citation upon completion of remedial training for a violation BAR deems to be minor in nature
 - But only once every 18 months

VEHICLE SAFETY INSPECTION PROGRAM

- As required by AB 471, forthcoming development of regulations will:
 - Combine the Lamp and Brake inspection programs into one program
 - Allow BAR to add additional vehicle systems for inspection
 - Move BAR from a paper to an electronic certificate of compliance for these inspections

EDUCATIONAL ADVISORY GROUP MEETING
JANUARY 13, 2022

NEW INSPECTOR UPDATE TRAINING PLATFORM

- The Bureau is using a new vendor for the online Inspector Update Training.
- The previous vendor sunset their program as of 12/31/2021.
- The new vendor as of 12/02/2021 is Rise.com (Rise).
- Rise provides better tracking abilities for BAR.
- Rise provides improved interactions with various platforms used by licensees.

NEW INSPECTOR UPDATE TRAINING PLATFORM (Continued)

- The registration process included with the new platform has created confusion for some enrollees.
